

KPMF

Manifold Series

Our KineticoPRO Modular Filtration (KPMF) Manifolds are designed to provide optimal performance and flexibility to meet all your water filtration needs. Whether your business requires one or four water filters these manifold systems are easily adaptable to meet the most stringent water recipe requirements.

FEATURES & BENEFITS

- Heavy Duty durable design
- Engineered for critical commercial applications
- Expandable Modular System (Adapts to your growing business)
- Compatible with all KPMF Filter Cartridges
- Easy Installation
- Available in series, parallel, series-parallel
- Available in multi-outlet configurations

INCLUDED WITH MANIFOLDS:

- Built-in mounting plate
- Water shut-off and flushing valve for seamless cartridge replacement.
- Built-in water pressure gauge(s)
- Inlet/outlet connections: 3/4-inch FNPT
